PRESS RELEASE

WPP Scangroup PLC cautions members of the public about invitations to invest in it through unofficial websites and apps.

Nairobi December 21, 2021...To support protection of investors and potential investors, WPP Scangroup PLC (the “Company”), a subsidiary of WPP Plc cautions against participation in investments purported to be in the Company and advertised through unofficial websites and apps.

It has come to the attention of the Company that there are people or entities purporting to act for and on behalf of WPP and the Company in order to invite investments in a WPP mobile money earning app. Take notice that neither the Company nor WPP has any affiliation with this app.

The Company recommends that potential investors should confirm whether a public offer of investment has been approved by the relevant Government bodies before participation. Please be vigilant for any authorized offers or invitations and where necessary report them to the appropriate authorities.

The Company is taking action with the relevant authorities where needed to stop any fraudulent use of WPP or Company brand names.

By order of management.
